# 360 RESIDENTIAL ALUMINUM SERIES

RA 360 Series / 1 3/4" thick

## Contemporary Style.

Take your home to a new level of sophistication with a 360 Series residential aluminum garage door from Haas Door. Each door is hand crafted and will add a modern contemporary look to any home. These doors feature a clean, sophisticated straight line look that is not only architecturally pleasing but will further enhance the elegance of your home.

Manufactured with rust and corrosion free commercial grade aluminum, each 360 Series door is built with tongue and groove section joints that will remain strong and durable for the life of the door.

The 360 series is available in nine painted finishes, along with three anodized colors, and 14 powder coated wood grain options. Custom-matched color and custom powder coating is also available. Glass options include 1/8 inch tempered, 1/4 inch laminate or 1/2 inch insulated tempered glass available in a variety of styles.

Add a new level of elegance to your home by installing a Haas 360 Series garage door today. Watch as your neighbors take notice of the clean, sophisticated and contemporary look. For more information, please visit our website: [www.haasdoor.com](http://www.haasdoor.com)
